

STAINLESS STEEL SYPHON FOR MANOMETER TYPE "U" PN 100

Material stainless steel AISI304 / 1.4301
Pressure PN 100

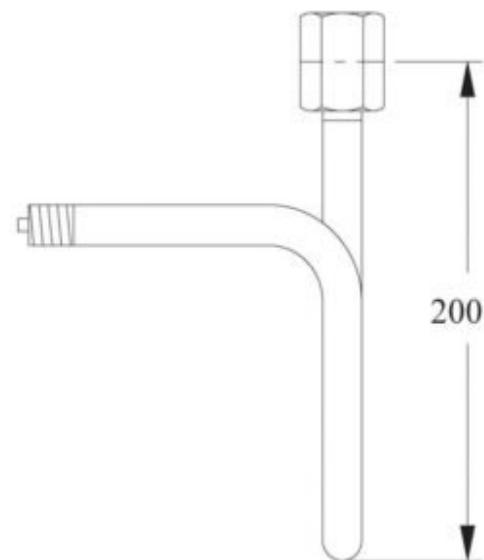

APPLICATIONS

Siphon (trumpet) for pressure gauge. They are used by being installed before the pressure gauge, in order to protect the Bourdon tube from the direct impact of the measured fluid.

VARIANTS

Connection: Threaded

Dimensions:•BSPP G1/2", G1/4", G3/8"
Metric M20 x 1.5"

No.	DETAILS	MATERIALS
1	Body	stainless steel seamless pipe AISI 304 / AISI 316

SPECIFICATION	
Standard	DIN
P max. working pressure	100 Bar
Connection	threaded
Inlet	1/2"
	G 1/4"
	G 3/8"
	M20 x 1.5
Outlet	1/2"
	G 1/4"
	G 3/8"
	M20 x 1.5
Form	U

STAINLESS STEEL SYPHON FOR MANOMETER TYPE "U" PN 100

Material stainless steel AISI304 / 1.4301
Pressure PN 100
